The 1981-82 Season

U.S.O. CANTEEN (October 20 - November 22)

Our opener is The Whole Theatre's salute to the 40th anniversary of the American U.S.O. USO CANTEEN is an original revue conceived and premiered for you on our stage. It will feature the memories of the wonderful music and performers that kept our soldier's spirits high and saw America through the 1940's.

THE DRUNKARD (December 1 - January 3)

Bring your tomatoes, your boos, your hisses and your family! We'll supply the villains, the heroines, the peanuts and the songs! We're doing an honest-to-goodness Victorian Melodrama—THE DRUNKARD. This is the play made famous by P.T. Barnum. It enjoyed almost 50 years of continuous production around the world. And now we're going to enjoy it here for 5 more weeks. We're bringing it back for old times sake and a rousing good evening!

THE CHERRY ORCHARD (January 12 - February 14)

Time for a return to the Classics. This is our bouquet to lovers of Chekov. THE CHERRY ORCHARD is a play of gaiety and sadness, horseplay and somberness, delicately framed as only the master Chekov could. It's one of the greatest plays ever written. It will move your hearts to sing and your eyes to tears.

AN AMERICAN PREMIERE (February 23 - March 28)

A season wouldn't be special without a surprise. Once again, we're going to mine and polish a dazzling gem for our American Premiere. Who knows, you may be among the first to see the birth of a Broadway hit!

MARAT/SADE (April 6 - May 9)

This play is a masterpiece of total theatre. MARAT/SADE is one of the most powerful and controversial plays of the century—a play that has won almost every important theatrical award. We invite you to embark with us on an important and unforgettable theatrical adventure.
